Notice of Impact of Typhoon No. 11 on the Company's Subsidiary (2nd Report)

We would like to express our deepest sympathies to all those affected by Typhoon No. 11 and pray for a speedy recovery.

We would like to inform you about the impact of this typhoon on the Group as follows.

1. The current situation

As disclosed in the notice dated September 9, 2024(only in Japanese), we would like to inform you about the damage status of the Company's Vietnamese subsidiary, RORZE ROBOTECH CO., LTD caused by Typhoon No. 11 as follows.

(1) Human casualties

There were no injuries to our employees.

(2) Property damage

We identified that the roof and the exterior walls of its factory were partially damaged, and rainwater had damaged some of its stored products. We have relocated the damaged production facilities and made some production resumed. We continue to recover the production system step by step.

In order to restore the situation as soon as possible, the entire RORZE Group will make every effort to confront the situation.

2. Impact on business results

The impact on the Group's business performance is currently under investigation. If, as a result of the investigation, timely disclosure is required, we will promptly notify you.
