Notice Regarding Settlement of Lawsuit

RORZE CORPORATION (the "Company") hereby announces that, with respect to the patent infringement lawsuit disclosed on March 16, 2026, titled "Notice Regarding Jury Verdict in Lawsuit Against RORZE," a settlement has been reached as outlined below.

1. Background from Filing of the Lawsuit to Settlement

On August 30, 2022 (U.S. time), a lawsuit was filed against the Company and its U.S. subsidiary, Rorze Automation, Inc., alleging that certain products infringed the plaintiff's U.S. patent rights. A jury verdict was rendered on March 13, 2026. Thereafter, as a result of settlement discussions between the parties, the Company entered into a settlement agreement on August 3, 2026.

2. Overview of the Counterparty to the Settlement

(1) Name: Kawasaki Heavy Industries, Ltd.
(2) Head Office: 1-1, Higashikawasaki-cho 3-chome, Chuo-ku, Kobe, Hyogo, Japan
(3) Representative: Yasuhiko Hashimoto, President and Chief Executive Officer

3. Summary of the Settlement

Details of the settlement are not disclosed due to the confidentiality obligations set forth in the settlement agreement.

4. Future Outlook

The Company recorded a provision for litigation loss in the fiscal year ended February 28, 2026, based on an estimate of potential losses related to this litigation. Following the settlement, the difference between the provision and the settlement payment is expected to be recorded as an extraordinary loss in the second quarter of the fiscal year ending February 28, 2027.
The settlement results in the final resolution of the litigation, and the Company does not expect any future impact on its business operations arising from this matter. Furthermore, there is no change to the Company's previously announced consolidated earnings forecast for the fiscal year ending February 28, 2027.
